2. **At this time, how are people who believe & entertain the idea of contact from beings from other realities regarded?**
 - Mainstream society makes judgements that such thinking is immature, crazy, and just plain wrong .
3. **What is going on here on Earth?**
 - We have a global population that has been propagandized with mainstream cultural beliefs to the point that they cannot see reality, such as extraterrestrial and Angelic visitations.
4. **How many levels of matter density are there?**
 - There are 5 levels that we pass through, with this level being the last & most dense.
5. **What are the survival skills of the next millennium?**
 - Learning from the Teachings about the core structure of the Manifestation Template that plugs into 15-dimensional structure.
6. **What happens to a culture that doesn't remember its connection to all living things?**
 - De-evolution.
7. **Where is Earth in the intergalactic spectrum?**
 - We are a small race among literally billions of interstellar races that used to be called the Angelic races.
8. **What is taking place between the years 2000 to 2017?**
 - An event is taking place that is called the Stellar Activation Cycle (Stargate Cycle), which has not happened in 210,216 years.

9. What is Planetary Ascension?

- When the Earth's Merkaba field aligns, higher frequency comes in and moves through the lower frequency fields, thereby raising the planetary frequency.

10. What happened during the Atlantean period?

- Atlantis used crystal generating power to open the 5th dimensional level. They had a Stargate open that allowed 5th dimensional frequency to flow through here, and they also opened up a portal in time that opened up the reality system here and the reality systems that exist on the next level up—semi-etheric matter.

11. What is important about the 7 primary Vortices or Planetary Chakras?

- These are the receptors & transmitters of higher dimensional frequency coming into the planet.

Vocabulary

1. 15-Dimensional Physics:

The science of spirituality & the dimensional structure one's consciousness takes to enter manifestation.

2. Angelic rosters:

Books that catalogued millions of years of Interstellar race history.

3. End times:

Times of renewal prophesied by Native Americans & Christian doctrine; otherwise known as Armageddon.

4. Stellar Activation Cycle (SAC):

Activation of the Planetary Templar Complex, when the alignment of Merkaba Fields on a vertical axis creates a bridge or opening through which frequency from a higher level comes into a lower frequency field, infusing a faster frequency into the lower frequency fields.

5. Matter Template:

The blueprint of matter, made out of scalar waves of light & sound.

6. Merkaba:

Sets of counter-rotating electromagnetic fields.

7. Law of One:

Scientific and spiritual teaching that explains how one goes from the Eternal nonmanifest state into a state of Manifestation and experiencing of space time and matter.

8. Grual Point:

“Grual” is a word from the planet Tara, which is a version of Earth existing in Dimensions 4, 5 & 6. The Grual is where energy first comes into a planet or energy system.

9. Aramatena:

The Kristos level of planet Earth that resides in Dimensions 10, 11 & 12 in Harmonic Universe 4.

10. Draconian matrix:

A 10th Dimensional consciousness matrix that emerged out of the fallen Seraphim.

11. Human Illuminati:

A group attempting to run a One World Order through a 70-year treaty with off-world visitors. The government in the U.S. and other countries have active treaties with a race called Zeta Reticuli from out of the Draconian Matrix. The Zetas’ agenda is to take control of this planet and create a pole shift that would eliminate the human populations from the Earth. They now have lost the game to more powerful reptile races from the Draconian Matrix.

Six Steps Toward Joy With Others

5. Responsibility: If we take responsibility for our words, actions, motives and experiences, we will not blame others for our problems and thus empower ourselves to solve them. Self-awareness comes from gently critiquing ourselves to determine where our actions are violating others or are ineffective. Replace blame with compassion, humility and effective action to reclaim your power to create joy. **Am I acting responsibly or am I blaming others? Am I allowing others to use blame as a way to control or manipulate me? How can I take responsible action in handling my “stuff?”**
