Questions and Answers

- 1. Today on Earth there are people born through reversed matrices. What “problem” are they facing?**
 - They have the codes of the reversed matrices. The problem with those matrices is that they severed their connection between the Rishi and the Avatar levels of identity, the Raja Hova Body of Harmonic Universe (HU) -5 and the Mahara Hova Body of HU-4.
- 2. What is the solution to heal that pattern?**
 - The solution is to connect with the Rishi through Keylontic Science techniques and guided meditations. Ordinations also accelerate this process of healing.
- 3. What was the set-up strategy used by the reversed matrices here on Earth?**
 - The set-up strategy was to create social structures or foundations of our societies that we took as granted, leaving us unaware of their purpose. These conditions are set up by matrices that are not serving the evolution of Christ. These structures include social-economical structures, people who have and people who have not, people who have who are not giving to the ones not having, religious structures purposely keeping us not being able to make a conscious bond with the rest of ourselves. We have been programmed and brainwashed to believe in ourselves as limited beings with a limited life span that are born for a reason and die for another, without a clear purpose for all things.
- 4. What is the opportunity for us during this Ascension Cycle?**
 - Our DNA has a chance to repair itself very rapidly and we have a chance to expand our consciousness very rapidly as well.
- 5. Why have the Illuminati families here on Earth become nowadays very “motivated” to stop the Ascension cycle?**
 - The Illuminati don’t know to what higher identities they are attached any more than anybody else does. There is a natural line of communication between the Rishi, Avatar, Oversoul, Soul and the Incarnate Identity down here. There is a natural set of impulses that come down through this line of communication. But the Illuminati have severed their connection with their Rishi. They don’t know they are serving an agenda that is out of line—they only know it is a natural pulse of their consciousness.

6. **What is the factor that determines what will happen this Ascension cycle?**
 - Whoever controls the Vortices (7 primary Earth chakras) in 2012 will determine what happens in this Ascension cycle.

7. **The Illuminati cannot stop the Ascension cycle. It is already started. But what can they do instead?**
 - They can create disharmony within the Hova Bodies of the planet. When those Hova Bodies try to merge with the Hova Bodies of Tara they will become chaotic, blocking the Earth Ascension process.

8. **What is the key to dealing with the Illuminati matrices?**
 - To learn that we have Higher Bodies of consciousness and learn what to do to begin integrating them.

9. **In what respect does the Earth populations' critical mass become important?**
 - The Earth's population is linked with the Morphogenetic Field of Planet Earth. We have the ability to shift the Monadic reversal that is affecting the people down here from the reversed matrix. The codes of Earth's population can be shifted back to their original coding in order to connect them to their Rishi and their God Seed.

10. **How can channelling be a bad thing, and how are the Illuminati trying to use it?**
 - Channelling becomes bad if it is not used with awareness. The Illuminati are trying to get control of the Earth grids. They are trying to get hold of key light workers that have certain genetic codes that resonate specially with the grids so they can control the grids through them. They're using channelling to give those light workers distorted information. They are giving them energy techniques that are really meant to crash the grids to make sure they can't merge for ascension.

11. **What is the meaning of giving ourselves the gift of controlling our Mental Body? How can we start to control our thoughts?**
 - We have to become aware of what thoughts go through our heads. We have to realize we are creating a Morphogenetic Field that will manifest somewhere inside us and in our life experience.
 - We have to spend some time with ourselves in a state of contemplation and *observe* the whole scenario in the "back" of our heads, a scenario made of images, impressions, things to do, past, present and future. First we need to *become aware* of our thoughts, then we try to stop them a little bit, *slowing* them down, then *question* where they are coming from. Ask the question: "Does this thought serve my growth?"

12. **What is a Melchizedek?**

The Melchizedek is a God Seed. It is the name of the tonal resonance vibration pattern, which translates into a word down here, of one of the God Seeds in the Source Matrix. It is the God Seed that the human design was created through. So,

“Melchizedek” would be the name of the vibration of that energy that serves the collective human race throughout the galaxies. It is also the name of the race line associated with the human race.

Vocabulary

1. Halls of Amenti

The Halls of Amenti are Time Portal passages that link to star systems. They link from Earth in this Harmonic Universe to the next Harmonic Universe, in which Earth is called Tara, and the next one, in which it is called Gaia.

2. Vortices

In this material Vortices are referred to as the 7 primary chakras of the planet Earth.

3. Channelling

Channelling is our ability to channel the information and the identity, the frequency, of those Higher Bodies down into our bodies here. The frequency changes into a hologram that comes into manifest reality. When we start to pull frequency from our higher dimensional bodies with the intent to develop the ability of translating them into our home language, we can establish a conscious relationship with those higher aspects of our own being.

4. Ordination

Ordination is a contract bond between you “down here” and the Rishi “up there.” Through the process of Ordination your DNA strands are activated.

5. Holographic inserts

Holographic inserts are pictures that are put in our minds and attached to our own pictures so we don't see the difference. They can be made so intense that you will fixate on those pictures and they will guide you. It might be thoughts that you can't shake and become fixated on.

6. Soul integration

In Soul integration, 6 DNA strands are activated.

7. Melchizedek

Melchizedek is a race line associated with the human race.

Six Steps Toward Joy

4. Choose Your Response: ACT rather than REACT. We can change how we feel in any moment by changing our judgments of a situation. Take time to re-perceive circumstances of upset and reframe our judgments in search of the hidden gifts and potentials. In any moment we can CHOOSE how we will respond. **How can I reframe this, and what is the best way to respond for joy?**
